We believe in giving back to our local community through various initiatives and by offering the time and mentorship of our Santorini Team.

Monetary support is donated for the education and nourishment of our next local generation. Our guests can get involved at Chigamane Primary School by donating towards the feeding program, which provides each child with a healthy meal on school days, or by donating a sturdy backpack, annual tuition fee, school uniform, one pair of shoes, stationary notebooks, and hygiene products like washing powder and soap.

For every night spent by our guests at Santorini, 1% of revenue is donated by Santorini to our Santorini Footprints Projects.

Through our various initiatives, we aim to leave a sustainable and positive footprint in the lives and land of this Mozambican coastline.
