BEACH CLEAN UP

We are at a critical time where, globally, we are waking up to the frightening impacts of plastic on our oceans ecology. Vilanculos is no exception and as a community we have come together in an effort to turn the tide.

Santorini proudly supports the Vilanculos Beach Clean-Up team with weekly beach cleans along Kingfisher Bay.

BEACH CLEAN UP

If you would like to get involved and help us make a difference, grab a basket from the tree at the beach when taking a walk.

Santorini Footprints

The Beach Clean-Up Project consists of local fishermen and traders who are personally invested in preserving the beaches and wildlife of the area. Santorini Footprints aids the team with caps and t-shirts to be worn during their clean-up sessions.
